## Education

---

<b>Carnegie Mellon University</b> , Bachelor of Architecture (NAAB-accredited)	Aug 2020 – May 2025
• Minor: Business Administration, College Honors	
<b>Singapore American School</b> , High School Diploma	Aug 2016 – June 2020

## Experience

---

<b>NAAB Documentation Assistant</b> , Carnegie Mellon University – Pittsburgh, PA	February 2025 – May 2025
• Collaborated with NAAB curriculum committees to collect 150+ students' work for Carnegie Mellon Architecture B.Arch program's accreditation validation process	
• Created and organized a catalog and archive system for B.Arch students' work	
<b>Interior Design Intern</b> , EWAI – Seoul, Korea	June 2024 – Aug 2024
• Contributed in the concept development of 6 different commercial projects (Office Building, Golf Club, University, Hotel, Multi-cultural Complex, Columbarium) and prepared presentations for clients	
• By producing high-quality 3D models and visual renderings, helped clients better understand design concepts, materials, and spatial relationships, reducing uncertainty and improving decision making	
• Drafted 2D constructional details and assisted with architectural documentations	
<b>CM-Architecture Facilities Assistant</b> , Carnegie Mellon University – Pittsburgh, PA	July 2023 – May 2024
• Managed Carnegie Mellon Architecture's equipment maintenance and inventory for 200+ students	
• By setting up well-organized and functional spaces, contributed to a more conducive learning atmosphere, improving the efficiency of lectures, critiques, and studio work for both students and faculty
